```
1    class Melon {
2        final int i;
3
4        Melon(boolean b) {
5            if (b)
6                i = 3;
7        }
8    }
```
